

## NEITHER COULD WIN

Brownies and Imperials Fight  
Fast and Furious, With-  
out Result.

### TWO GAMES THIS AFTERNOON

Double-Header to Wind Up the  
Successful Ball Season  
in This City.

Another tie game was the result of the contest between the Brownies and Imperials yesterday afternoon. This result was mainly due to the work of Frost at third for the Brownies. His hands were evidently cold, for upon a number of occasions he fumbled and threw wild. Ordinarily his work is of the all-around order, but yesterday was an exception, as the detailed score will show. Even at that, however, the game was interesting, and at times exciting, but a study of the details will show that the first three runs by the Imperials were made on errors by Frost, while the last three were earned. On the other side the Brownies gained one extra run, one on Triton's error, and the others on Walker's and Higley's and Howers' hits. Without the errors the result would have been 3 to 3 in favor of the Brownies. The Imperials played better ball, but notwithstanding that, they could not win. There was lots of heavy hitting, and in the ninth the Imperials, by good stick work Taylor and Fitz scored the greatest exploit.

The detail will also show that the Imperials outfield had plenty of work to do, landing five of the outs, while the Brownies outfield four chances. With one exception the assists were all from the infield. The exception was Jones' assist in the double in which he and Baehs figured. Jones caught Holland's fly and landed Charters at second. There were an unusually large number of batters hit with pitched balls, and up to the ninth inning, Howers was almost invincible, allowing but two hits off his delivery.

In the seventh inning, Taylor was hit on the back of his head in attempting to do a pitched ball. He fumbled, and for a moment was out, but he recovered and scored, getting to second on Jim McEvoy's sacrifice, and scoring on a throw by Howers.

**Story of the Runs.**  
For six innings the Brownies had blanks, although in the third the Brownies were full at one stage. The first run was scored in the fourth when Baehs was killed by Taylor, who landed his high fly. Then Sharp went out to Howers. McEvoy walked, and Frost hit a little on to the infield, but Triton let it pass him. McEvoy and Baehs scored and Frost was pitched out. In the fifth, Howers pitched a double, and Baehs landed for two bases, and Higley walked, filling the bags. Skillet Jones walked over to the plate and was pitched out in deep right-center for three bases, while Frost, Higley and Howers scored. Anthony went out to Holland, and the agony was over.

Each scored in the eighth. He was hit with pitched ball, stole second, went to third on a wild pitch and scored on Howers' single. That was all.

The first Imperial run was made in the fifth, when Frost fumbled Jim McEvoy's grounder, and followed it up with another in landing Charters' grounder. These two errors and a wild throw by Anthony gave McEvoy the run. Taylor was hit by pitched ball in the seventh, was sacrificed by Jim McEvoy, and scored. In the eighth, Holland fumbled and scored on Frost's fumble and had throw and eventually scored on a hit by Howers. In the ninth, Taylor hit for two, Jim McEvoy singled, Fitz called it over Higley's head for three, and Howers and Holland singled. When the dust settled, Taylor, McEvoy and Fitz had scored, and the game was a tie.

There will be two games, a double-header this afternoon, between these two remarkable teams. The first will begin at 2:15, the second to follow immediately.

Manager Taylor, of the Imperials, received a telegram last night, stating that Weddell, who would be unable to get here in time for to-day's games.
